Temporary Hums Notes

Marx — 1818 — 1883

Marxist vs. Marxian

Political side ←

→ Philosophical side

- Communist Manifesto is an outlier to Engels & Marx's regular work
- Marx struggled with his own ideas
 - ↓ How can things be reworked to produce an idealized society
 - ↳ No good sex under capitalism
- Marx factory visit — uncensored, deeply mobilizing
- Enlightenment
 - ↳ never really ends
 - All social sciences require statistics — product of the enlightenment (high specialization between similar areas of study)
- Regimes of Truth
- Regimes of intelligibility — ideology for Marx
 - ↳ Libertarianism — a politics without politics
- Marx — philosopher: dissertation on philosophy of nature in Democritus & Epicurus
- Hegelism / Young Hegelism
- Historical Materialism
 - ↳ Ludwig Feuerbach
- Adam Smith — parallels w/ Marx
 - Faber as value relating price's
 - Value of labor = life → and now other things
 - Classificatory & taxonomic
- Gramscian project — rules + structures
- Econ. born
 - New kind of economic science needed
 - ↳ Scientific method does not work here

Notes 25 Jan (Section)

Hegelian Dialectic

• thesis → antithesis

breed synthesis → antithesis

synthesis... etc.

↳ Just a model of constant change

Marx → capitalism is good because it results in communism eventually

Dialectical Materialism

↳ Between people's modes of existence

- Being alienated from your own labor → you have become a cog in a machine under capitalism

↳ untrue in a utopia

Foucault → Marcuse

Abolish (as a word) coming from Marx

↳ police → protectors of private property

Ideology

The beliefs that are so natural to you that you don't know/aren't aware of them

Nuclear Family based on capital → antagonist to communism
